Subject: Second Revised 2000-01K-12 Forms and Schedules

We have made minor changes to three of the 2000-01 revenue limit forms and schedules. The revisions are as follows:

- Schedule L (K-4 Intensive Reading Program). Previously we advised you of a revision to this schedule. Upon subsequent review, we have made the following change. The reference to "Line-A-1" in Line E should read "Line A-2," and EDP number 110 as referenced on the same line has been revised to 111.
- Schedule C (County Community Day School Funding). The additional funding for the 7th and 8th hour is \$4.19 per hour rather than \$4.06. To conform, the phrase "Line E-3 times \$4.06" on Line E-4 is revised to read "Line E-3 times \$4.19."
- Form J-27/28 (County Superintendent's Report of Schools and Classes Maintained). The First Period Report of Attendance includes July 1, 2000 through December 31, **2000**, not through December 3, 2001 as is currently indicated on the form. The fourth line on page 1 has been revised to read "First Period Report of Attendance (July 1, 2000 through December 31, 2000)."

If you have already printed the 2000-01 K-12 forms and schedules (Rev.9/00), please replace those with the revised forms and schedules.
